

REMARKS

Claims 1-70 are canceled. Claims 71-100 are added and now active in this case.

Claims 71-100 are presented merely to clarify the present invention, and are fully supported by the claims and disclosure as originally filed.

The Remarks previously submitted with a Request For Continued Examination (RCE) on June 21, 2011, are asserted as applicable to the above now renumbered and clarified claims, and in support of the patentability thereof. Consideration of the above claims is requested with those remarks in mind.

Accordingly, in view of all of the above, it is believed this application is now in condition for examination on the merits and allowance. Early notice to this effect is earnestly solicited.

Respectfully submitted,
